## Intensive Sessions (Los Angeles and Internationally)

Intensive sessions are the absolute fastest way to see improvement in your social dancing. Students take intensive sessions anywhere from 2 days- 2 weeks consecutively.

Sessions include 4 hours in studio (2 - 2 hour sessions) a lunch break. You then spend another 4 hours out at the most popular clubs. There you'll practice everything you've learned, meet some awesome people, and have a blast.

Intensive students are sometimes locals from LA who want to get good fast, but mostly Intensive students fly to LA to learn from iDA instructors or fly them internationally for convenience. Webcam lessons work great, but cannot match the visceral experience of having in person lessons.

## Client Testimonials

*"What Chi offers goes beyond just learning how to dance. I contacted Chi because I wanted hip hop lessons, but I walked away with so much more. He took the time to also accompany me to the club to reinforce what he was teaching in his lessons. He instilled confidence, and isn't that what it boils down to? To have the confidence to walk into any club, straight to the dance floor and move like you own it. The confidence that Chi helps instill will definitely carry over to all aspects of your life.*

*Succinctly put, there is nobody better to help turn you into a dance king or queen. He's incredibly knowledgeable, legit and KICKASS!" - YELP REVIEW*

– SIMONE M. (WEST HOLLYWOOD, CALIFORNIA)

*"I had taken lessons from 'other' dance instructors, and they were trying to teach me crazy hip hop moves and wacky looking routines and I just felt like a fool...*

*LUCKILY I found Chi Szeto, because he understood IMMEDIATELY what I wanted to learn, just to dance like a regular normal person with some good dance moves... nothing crazy, no back flips, just regular good club dancing and good body movements...*

*I now have the confidence to dance and get into the fun on the dance floor. I would highly recommend his dance class to both Men and Women for learning how to dance and have FUN doing it!" - YELP REVIEW*
